

# **Expertise and capability from The European Union, United Kingdom & Worldwide**

**A Network of some 80 Civil Protection experts specialising in:  
Emergency & Disaster Management, Rescue Operations,  
Business Continuity, Health and Security.**

**Our primary purpose is to:  
Support National and Public bodies  
with expertise and capability  
across the full range of  
Civil Protection and Humanitarian activity**

**We also support  
Organisations and Private Companies  
where aims or products align  
with our primary purpose**
